

**Forest Sector Technical Working Group in Solomon Islands
Ministry of Forest and Research (MOFR) & Stake holders**

Proposal for Future Direction on the Forest Sector Technical Working Group

13th March 2018

**Forest Sector Technical Working Group in Solomon Islands
Ministry of Forest and Research (MOFR) & Stake holders**

Proposal 1: Frequency of Forest Sector Technical Working
Group Meeting:

In consideration of the nature of activities in Forest Sector,
which require longer time to visualize their outcomes....

How about organizing this Technical Working Group meeting
**once in 4 months (three times a year: March, July,
November) ?**

If all agree, Secretariat will work on arrangements in well-
advance and announce you all about the date and venue.

**Forest Sector Technical Working Group in Solomon Islands
Ministry of Forest and Research (MOFR) & Stake holders**

Proposal 2: What the Forest Sector Technical Working Group does?:

- 1) To introduce initiatives / report our activities, with aim of sharing information, knowledges, and experiences.
- 2) To exchange opinions and views on respective reporting.
- 3) To facilitate demarcation of the areas of assistances and investments
- 4) To seek possibilities for future collaboration and cooperation
- 5) Any other?
